

Community Mental Health (26)

- ✓ Working through Westchester County's Opioid Response Initiative, a collaboration of county government departments and external partners, Opioid Lawsuit Settlement funds will support new initiatives in the areas of treatment, education, harm reduction and service enhancement throughout Westchester.
- ✓ In conjunction with community partners, undertaking the planning and development of additional mental health/co-occurring disorder clinics for Westchester County.
- ✓ "Disconnect to Reconnect" is an initiative developed through the CCSI Integrated Services Planning 0-6 Committee, co-facilitated by DCMH. This initiative seeks to raise public awareness of the impact of social media on young children and the importance of play on development, health and wellness.
- ✓ "Westchester Growing Together" is an ISP 0-6 initiative developed in partnership with the United Way of Westchester and the Board of Legislators Families Task Force. Prospective and new parents will sign up at hospitals and public health clinics to receive push notifications by text regarding concrete resources and information about child development, which will be delivered according to their child's developmental stage. A soft opening is scheduled for fall 2024 and a public launch will occur in early 2025.
- ✓ Provided administrative support and referrals to the Summit Hill Empire State Supported Housing Initiative project, providing housing for 20 individuals with serious mental illness and 10 families with a head of household with a serious mental illness.
- ✓ Participation as core member of the Westchester County Threat Assessment Management Team.
- ✓ Real Time Behavioral Health Operations Desk which acts as a resource for crisis situations.
- ✓ Coordination and co-facilitation of specialized training series for schools and providers to address trends in children's mental health i.e. School Anxiety, Avoidance & Refusal and Suicide Risk Assessment and Safety Planning, and Building Comprehensive School Mental Health Systems.
- ✓ The Westchester County Safety Net Clinic is projected to open in White Plains in the first quarter of 2025. The Safety Net Clinic will

serve 120 high risk/high need clients at a time. Clients will receive assessment, psychotherapy, group therapy, medication management, and other county services as needed.

✓

ON-GOING

- ✓ Coordinate and Co-Chair Westchester County's Suicide Prevention and Awareness Task Force.
- ✓ Co-Chair Westchester County Re-entry Task Force.
- ✓ Co-Chair the Veterans Subcommittee of our Suicide Prevention and Awareness Task Force in partnership with the Montrose VA and the Bronx VA.
- ✓ Co-Chairs a Data and Action Subcommittee of our Suicide Prevention and Awareness Task Force in partnership with our Medical Examiner's office.
- ✓ Coordinate and Co-Chair Westchester County's Developmental/Intellectual Advisory Committee addressing the needs of individuals, and their family members, with developmental/intellectual disabilities, including Autism.
- ✓ Coordinate and lead committee focused on crisis services/supports for individuals with intellectual and developmental disabilities.
- ✓ Coordinate and Co-Chair the CCSI Trauma Subcommittee, comprising 83 members throughout Westchester County's system of care.
- ✓ Coordinate the Westchester County Trauma-Informed Supervision Initiative, which has trained over 112 individuals since its inception in 2016. Continue to expand this model within and beyond Westchester County through creation of a TIS Facilitator's Guide and development of guidelines and policies to ensure fidelity to this model.
- ✓ Continue to roll out turn-key training using DCMH's Resilience Film Workshop Guide for coalitions within and beyond Westchester County.
- ✓ Continue to monitor and refine data analysis of Mobile Crisis Services for CQI and county planning.

Community Mental Health (26)

- ✓ Partner with contracted providers and county departments around development and implementation of trauma-informed care, including training, data-driven CQI, and technical assistance regarding policies and practices.
- ✓ Provide support, consultation and guidance to the emergency departments and inpatient psychiatric units to ensure access to care to individuals who are in need of acute psychiatric stabilization.
- ✓ Provide assistance and support to individuals, and their families and related professionals, in navigating the NYS Office for People with Developmental Disabilities (OPWDD) eligibility process as well as the broader service system.
- ✓ Provide leadership in the planning and management of the Westchester County Continuum of Care (CoC) Partnership for the Homeless, coordinating with Department of Social Services and over 28 Board Member agencies, to oversee homeless services with the goal of preventing and ending homelessness. The CoC manages over \$22,199,000 of HUD funding annually, over \$10,300,000 of that being directly administered by DCMH.
- ✓ Participate in the Westchester County Multidisciplinary Team monthly meetings for adults to coordinate intensive services for complicated and challenging adult/elder abuse and exploitation cases.
- ✓ Participate in the Westchester County Child Fatality Review Committee monthly meetings.
- ✓ Participate in the Westchester County Geriatric Mental Health Collaborative, which facilitates professional training and public education events, and serves as a resource and planning committee for mental health services for older adults.
- ✓ Participate in the Westchester County's Local Early Intervention Coordinating Council (LEICC).
- ✓ Serve on the New York State Trauma Informed Network and Resource Center Advisory Committee.
- ✓ Provide interim medical coverage for individuals with mental illness to access medications upon discharge from hospitals and/or jails or prison.
- ✓ Participate in NYS Office for People with Developmental Disabilities (OPWDD) regional committee and executive director's meetings to support and advocate for services for Westchester individuals seeking community-based and/or residential services.
- ✓ Participate in planning/support meetings with NYS Office for People with Developmental Disabilities (OPWDD) regional crisis/forensic team to provide collaborative support for individuals with intellectual/developmental disabilities experiencing behavioral health crisis or are involved in the criminal justice system.
- ✓ Track and provide consultation/support/guidance to Westchester County emergency departments and psychiatric hospitals when a patient is identified with an intellectual/developmental disability with complex needs and has disposition concerns.
- ✓ Coordinate efforts with Department of Public Safety to provide electronic locator bracelets for children and adults with autism, or other developmental disabilities, who live in the community and who are at risk to wander.
- ✓ Provide leadership and co-chair the Westchester County College Behavioral Health Collaborative which is charged in addressing the mental health, substance misuse and co-occurring disorder challenges of college students by providing education, training and access to services.
- ✓ Provide Leadership and co-chair Westchester County Coordinated Children's Services Initiative (CCSI) Committee, a county-wide committee with participation from across child-serving systems charged with planning and oversight of the children's system of care and primary advisory board to the Children's Cabinet.
- ✓ Provide Leadership and Co-Chair the Westchester County Children's Cabinet, made up of executive leadership from 8 child & family-serving County Departments with the goal of improving outcomes for Westchester's children through alignment of department priorities and development of a cohesive "children's plan."
- ✓ Provide leadership and co-chair the Westchester County Co-Occurring System of Care Committee, a county-wide committee charged with addressing the mental health, substance use, and other complex needs that individuals are impacted by and improving

Community Mental Health (26)

- service outcomes through building awareness, use of best practices and systemic reform.
- ✓ Provide support to Westchester County's inpatient units regarding discharge planning, outpatient referrals, and housing placements.
 - ✓ Provide ongoing support to families navigating the Single Point of Access and overall adult mental health system.
 - ✓ Coordinate and support both individuals receiving and providers of residential, care management, and Assertive Community Treatment services throughout the county.
 - ✓ Provide bereavement counseling to Single Point of Access agencies who have experienced loss in their programs.
 - ✓ Provide resource training at all Peer Specialist Training courses, currently delivered three times per year at three different DCMH-contracted agencies.
 - ✓ Provide emergency funding and scholarship opportunities for people with mental health lived experience.
 - ✓ Co-Chair the Westchester County's Continuum of Care Patriot Housing Initiative. This initiative houses veterans experiencing homelessness. To date, the initiative has housed over 675 veterans through DCMH and partner agencies.
 - ✓ Host International Overdose Awareness Day event.
 - ✓ Maintain 1,200-person waitlist for residential services for individual with serious mental illness.
 - ✓ Process and refer approximately 1,700 referrals for residential, case management, and Assertive Community Treatment services annually.
 - ✓ Coordinate discharges from Rockland Psychiatric Center to the community to reduce re-hospitalization.
 - ✓ Provide planned respite services to prevent unnecessary hospitalizations.
 - ✓ Provide trainings to multiple provider agencies on the Single Point of Access to increase access to residential, case management, and Assertive Community Treatment services for individuals living with serious mental illness.
 - ✓ Collaborate with BOCES partners to provide accessing and navigating children's mental health services trainings open to all 46 Westchester County school districts.
 - ✓ Lead annual county-wide Myra Alfreds Roundtable conference in recognition of Children's Mental Health Day and Foster Care Awareness Week.
 - ✓ Coordinate annual Community Network Leadership Retreat to provide training, planning, and support to leadership from across the county's 8 Community Networks.
 - ✓ Collaborate with District Attorney's Office for Westchester Opt In: A diversion program offering an alternative response to low level, non-violent criminal offenses that is proportionate and restorative.

DEPARTMENT ACCOMPLISHMENTS:

NEW

- ✓ A new annual Consolidated Local Government Plan has been developed to identify areas of need for individuals with mental illness, intellectual/developmental disabilities, and alcohol and substance abuse issues, including those individuals with multiple needs.
- ✓ DCMH has successfully transitioned to an electronic health record, myEvolv, which will provide security and safety of our program data. The new software will increase the overall effectiveness and efficiency of our direct-service staff and allow for improved coordination and data collection.
- ✓ After months of research and negotiation and with the full support of the County Executive, WCEAP has established a partnership with OPTUM/UMR for supplemental EAP services. This collaboration will allow WCEAP to expand coverage and accessibility to licensed MHC 24/7 365 days a year for all County Employees and their family members. It also provides various platforms, such as TalkSpace, the ability to "text" a provider and a self-help app providing information on a myriad of wellness topics.
- ✓ Through targeted technical assistance and coordination with school, agency and NY state partners; DCMH has supported a nearly 40% expansion of school based mental health satellite clinics across the county, with a total of 72 clinics and growing.

Community Mental Health (26)

ON-GOING

- ✓ DCMH's Annual "May is Mental Health Awareness Month" campaign was held including posting events, social media campaign, and providing education and resources.
- ✓ DCMH's Annual "September is Suicide Prevention Awareness Month" campaign continues to be a success in promoting awareness, education and prevention. Campaign includes social media campaign, launch of awareness and resource information.
- ✓ Commissioner's Forums are held regularly covering topics brought to DCMH's Peer Advocacy and Support Specialist for discussion as well as information on NYS and local initiatives. A Forum was held in December 2023 on Crisis Services; over 40 individuals were in attendance for the lively and informative discussion of peoples' experiences using crisis services in Westchester.
- ✓ Fresh Start Diversion Program continues to work with local courts, offering an alternative response to first time, low level, non-violent criminal offenses that is proportionate and restorative. In 2023 there were 64 group sessions provided; 471 referrals received; and 344 participants completed the requirements.
- ✓ Employee Assistance Program (EAP) continues to provide assessment and referral services to Westchester County employees as well as the employees of 36 municipalities and special districts. In 2023, EAP provided 437 intakes and follow-up services. EAP also conducted 73 training sessions with 1,369 employees attending.
- ✓ Treatment Alternative to a Safer Community (TASC) Program - an alternative to incarceration - works with Westchester County's 45 local criminal and County courts to assess, evaluate and monitor defendants referred by the court system. In 2023, TASC assessed and evaluated 2,094 participants, and discharged 1,836 participants successfully.
- ✓ Employability/CASAC Program completed 797 alcohol and substance abuse employability assessments in 2023 and 176 consumers were newly referred to chemical dependency treatment.
- ✓ The adult Single Point of Access coordinated residential, care management and Assertive Community Treatment services for 1,702 individuals.
- ✓ The Children's Single Point of Access coordinated care management, mobile mental health and out of home placement services for 302 children and adolescents and participated in 98 meetings for multi-system involved youth with complex needs in 2023.
- ✓ Promote awareness, education and training for broader stakeholders including systems, schools, and residents on Mental Health, Substance Misuse and Co-Occurring disorders through various evidence based training programs such as Mental Health First Aid, SafeTalk, and Suicide Safety for Teachers.
- ✓ "Faith-Based Soul Shop", a collaborative with faith-based leaders throughout Westchester. Collaborative includes providing training, support and resources to the faith-based community on mental health, substance use and suicide prevention.
- ✓ Successfully implemented an empirical framework for trauma-informed systems change across the seven counties of the Mid-Hudson Region. Over 1100 Westchester County employees and non-profit staff completed the Attitudes Related to Trauma-Informed Care survey (ARTIC). Interactive graphs allowed for comparisons across job-roles, departments, counties and service sectors. Results established baselines for tracking change over time and determining training needs.
- ✓ Continue partnership with the Department of Probation to support the Mid-Hudson Regional Youth Justice Team's Resilience Initiative. This includes supporting libraries, governmental departments and non-profit agencies in their efforts to provide trainings and build local coalitions around trauma-informed and resilience-oriented care.
- ✓ Continue partnership with the NYS Trauma Informed Network, the NYS Office of Prevention, and other NYS OMH Divisions to contribute to state-wide efforts toward trauma-informed practices and policies.
- ✓ DCMH in collaboration with community partners offered an annual Transition Linkages Fair that was attended by over 160 people whose children with intellectual and or developmental disabilities will be transitioning to the adult service system.
- ✓ The Intellectual and Developmental Disabilities Services provided consultation, information, and referral services to 3,232 individuals,

Community Mental Health (26)

families and community service providers as well as offered a multitude of trainings to school districts and community providers. OPWDD eligibility support and submission assistance was given to 93 Westchester County individuals/families, and assistance was provided to 116 students who transitioned from high school to the adult service system.

REVENUES:

- ✓ State Aid within New York State appropriations, is received for eligible expenses as determined by the three state disability agencies. Eligibility is based on State approval at a reimbursable percentage. Some programs are funded at 100% and others at 50% and included in the Operating Budget and Grants.
- ✓ Federal Aid - DCMH receives grant funding from HUD for the administration of rental assistance and other housing programs and aid from CMS and SAMHSA through NYSOMH for the administration of mental health and alcohol and substance abuse services.
- ✓ Charges for EAP services to local municipalities.
- ✓ Opioid Settlement Funds.
- ✓ Substance Abuse and Mental Health Services Administration grant for Westchester Co-Occurring System of Care for Supporting Adolescents and Transitional Aged Youth with Co-Occurring Disorders, and their Families, through a Wraparound System of Care.
