

Parks, Recreation and Conservation (42)

- ✓ County Parks is in the forefront of providing solutions to environmental, preservation and conservation issues, and natural resource management through programming designed to encourage residents to become “citizen scientists”.
- ✓ General Maintenance provides skilled trades staff responsible for maintenance needs of newer and aging infrastructure and parkland landscapes.

REVENUES:

- ✓ Revenues are generated through user and entry fees, concessions, rentals, and permits. The Department also relies on tax levy support.
- ✓ Parks receives state funds, private and corporate sponsorships and contributions as well as private endowments through trusts and grants.
