Department Of Transportation (44)

The Department of the Public Works and Transportation - Transportation Division provides surface transit services and maintains the vehicles, garages, and bus stops of the Bee-Line System. In order to access Federal funds, the division is required to collect data and provide demographic breakdowns of the bus system ridership. In addition, as the division is responsible for the purchase of equipment through its Capital program; federal funds are available for reimbursement of eligible administrative costs. Transportation staff also represent the County in federally mandated transportation planning activities in order to maintain the County's eligibility for federal transit and federal highway funds.

- ✓ Work with the Parks Department to operate the MetroCard refill machine and sale of ParaTransit ticket books at the County Center.

REVENUES:

Bus Operations

- ✓ Departmental Revenues
 - ◆ The Department receives departmental revenue through advanced sale of fare media for fixed route and ParaTransit services, Metrocard reimbursement from the NYC Transit Authority, advertising agreements, incidental rent and concessions, reimbursements for grants administration by operating budget employees, services to other departments and employers, and from audit payments and recoveries.
- ✓ State Operating Assistance
 - ◆ The Department receives State Transit Operating Assistance (STOA) for its bus operations. The Department requests its annual allocation of State funding through the submission of an Annual Report and Budget (17-a) to the New York State Department of Transportation. As a specified recipient in the NYSDOT budget, the Department is allocated STOA based on direct annual legislative appropriation.

State Funding for New/Demonstration Services

- ✓ State Funding for New/Demonstration Services is received for limited periods (1-3 years) from the New York State Department of Transportation. The State typically funds from 50% to 100% of the service deficit for a limited period, with the understanding that the

Department Of Transportation (44)

service will either be self-sustaining or eliminated after the funding period. These funds are awarded to the Department through a formal State grant process. The amount of funding awarded for New/ Demonstration Service is based upon justifications provided in the grant application.

based on a formal State grant process. Funds are also received to undertake work mandated as part of the Metropolitan Planning process.

SERVICE INDICATORS:

Federal Aid

- ✓ Since 1998 the Federal Transportation Administration permitted the use of Section 5307 formula funds for the reimbursement of certain preventive maintenance operating expenses. Eligible preventive maintenance expenses are justified as reported on the Annual Section 15 National Transit Database Report for the Westchester County Bee-Line System. In addition, the department has been awarded 5339 funding for buses and bus related facilities. The Department has been awarded FTA Section 5310 funding for capital programs and services which exceed the FTA's ADA mandate.
- ✓ The CARES and CRRSA/ARPA Federal funds of \$162 million were awarded for the period 2020 to 2024. Funds eligibility expired as of 9/30/2024 and are not available for 2025.

Grant Reimbursements to Operating Budget

- ✓ Federal and State Grants are pursued and awarded on a regular basis to fund capital acquisitions and the administrative expenses related to specific projects. Federal funds for the administration of capital projects are awarded to the Department based on National Transit Database Reporting, which identifies the cost and service parameters of the Bee-Line System. State funds for the administration of capital projects are awarded to the Department
